Dear Examiner Epperson:

This communication is responsive to the telephonic interview conducted on January 29, 2004 with Examiner Epperson, and the Interview Summary included with the Notice of Allowability dated February 10, 2004. This document is thus filed within one month of the telephonic interview and within one month of the mailing date of the Interview Summary and is timely filed.

Applicants do not believe that any fee is due for this filing. However, should any fee(s) be due, the Patent Office is hereby authorized to charge any such fee(s) which may be required regarding this application under 37 CFR §1.16-1.17 or credit any overpayment to Deposit Account No. 50-2350. A duplicate of the first page and signature page of this document are enclosed for such purpose.

Remarks begin on page 2 of this document.

REMARKS

On January 29, 2004, Examiner Jon D. Epperson and Applicants' representative, Bernard P. Friedrichsen, discussed each of the pending claims of the application. Examiner Epperson indicated that each of the elected claims (claims 24, 29-32, 37-39, and 44-47) were allowable over the prior art of record although no specific prior art was discussed. The Examiner requested permission to cancel the non-elected claims (claims 1-23, 25-28, 33-36, 40-43, and 48-54) of the application. Applicants' representative authorized Examiner Epperson to cancel the non-elected claims without prejudice to Applicants' rights to pursue such claims in one or more timely filed divisional or continuation application(s). Applicants' representative also authorized Examiner Epperson to amend claim 37 by inserting the word "wherein" in the manner set forth in the Notice of Allowability. Therefore, agreement between the Examiner and Applicants' representative was reached. No exhibits were shown or demonstrated.

CONCLUSION

Each of the pending claims of this application (claims 24, 29-32, 37-39, and 44-47) has been allowed and a Notice of Allowability (PTOL -37) and a Notice of Allowance and Fee(s) Due (PTOL-85) have been received by Applicants. The Examiner is invited to telephone the undersigned at the number listed below if the Examiner believes such would be helpful in advancing the application to issuance.

Respectfully submitted,
